Cory Brown  
United Plate Glass Company  
108 Grundman Drive  
Butler, PA 16001

Dear Cory:

This letter confirms that United Plate Glass Company has successfully met the criteria for a Guardian Select™ Fabricator for the SunGuard coated glass products listed below:

| Product Category | Products Covered by Certification                                                              |
|------------------|------------------------------------------------------------------------------------------------|
| eXtraSelective   | SNX 62/27, SNX 51/23, SNX 70+, SNX 60+<br>SNX 62/27 HT, SNX-L 62/34 HT, SNX 51/23 HT           |
| High Performance | Neutral 78/65                                                                                  |
| SuperNeutral     | SN 54, SN 54 HT, SN 68, SN 68 HT, SN-L 68 HT, SNR 35 HT,<br>SNR 43 HT, SNR 50 HT, SNE 50/25 HT |
| Interior Surface | SunGuard® IS 20 HT                                                                             |

Guardian's certification process and program requirements have been designed to assess our customer's ability to consistently fabricate quality coated products. This certification is valid until **November 30, 2027**. This letter may be submitted as required by architectural specifications as evidence of fabricator certification for processing SunGuard products in accordance with Guardian's standards.

Congratulations on your certification as a Guardian Select Fabricator! We look forward to continued success with United Plate Glass Company in the high-performance commercial glass market.

Best Regards,

John Matuszewski
